

FAU/IAB-Seminar Macroeconomics and Labor Markets

Summer Term 2025

The Chairs of Macroeconomics (Christian Merkl) and Global Governance and International Trade (Christoph Moser) at FAU and the Macroeconomic domain at IAB co-organize a joint seminar series at the intersection of macroeconomics, trade and labor economics. The seminar typically takes place on Tuesdays at noon or 2 pm (German time). A preliminary schedule can be found below. The seminar will take place in hybrid form in summer 2025. If you are a researcher and you are interested to join the talks, please send an e-mail to macrolabor.seminar@gmail.com.
